

Background Form

This form is part of an experiment on the presence of code smells in Java code, conducted as part of the Software Engineering course at DCC/UFMG during the 2025-1 semester.

In this form, you should talk a bit about yourself and share your experiences.

** Indica uma pergunta obrigatória*

1. Name and Student ID *

2. Check below the Software Engineering topics you are familiar with *

Marque todas que se aplicam.

- ☐ Object-Oriented Programming (OOP)
- ☐ Refactoring
- ☐ Software Architecture
- ☐ Software Testing
- ☐ Web Technologies
- ☐ Databases
- ☐ LLMs in Software Development

3. Are you currently working or have you previously worked at a software development company? If so, how many years of experience do you have in software development? *

Marcar apenas uma oval.

- ☐ No, I have never worked at a software development company.
- ☐ Up to 1 year of experience
- ☐ From 1 to 3 years of experience
- ☐ More than 3 years of experience

4. How would you rate your skill level in the Java programming language?

Marcar apenas uma oval.

- ☐ 1 - Never heard of it
- ☐ 2 - I only used in academic contexts
- ☐ 3 - I use it from time to time
- ☐ 4 - I use very often
- ☐ 5 - I'm an expert

5. How would you rate your skill level in code smell detection?

Marcar apenas uma oval.

- ☐ 1 - Never heard of it
- ☐ 2 - Heard of it
- ☐ 3 - Familiar with the topic
- ☐ 4 - I can teach it
- ☐ 5 - I'm an expert
